

## TEMO's Lifetime Warranty is the Most Comprehensive in the Industry

TEMO Sunrooms is proud of the quality of its sunrooms and stands behind them with the most comprehensive warranty in the industry. TEMO Sunrooms offers Lifetime coverage, unlike many other companies who restrict their coverage to 20 years or less. With a TEMO sunroom, "Lifetime" actually means... your lifetime!

Our Lifetime Warranty guarantees protection for the parts and materials used in a TEMO sunroom, for the life of the purchaser, and is transferable to subsequent owners. This is a tangible benefit upon the resale of your home.

Refer to the manufacturer's warranty for complete coverage information. Your local TEMO-authorized dealer may also provide additional warranties.
